REF: Corporate Marketing Mailings

Dear Corporate Partners:

We are pleased to announce that we are offering sponsorships for Promotional Corporate Mailings for the year 2018. The following will be offered and if you are interested, please contact me for additional information or questions. We currently mail to 325 individual mail addresses that have at least one person affected by a bleeding disorder. Our total mailing list is 450. Please find the following details:

1. All materials must be supplied to the chapter in an unsealed envelope, with the correct postage attached on each envelope to be mailed. We will include an information letter from the chapter so please consider this with your postage.
2. All information as to dates for mailing should be included so we may meet your scheduled delivery dates. We will address the informational packet with a label address from our mailing list for delivery. The above will be applied on each mail out service.
3. There will be a \$1,000.00 fee per mailing to be paid upon receiving of corporate mailings to cover all our administrative costs and materials.
4. Please provide at least a 4 week advanced notice of the desire to provide a mail-out and a two week window for distribution to meet your mailing date from the time we receive the mail-out.

At this time we do not know how many mailings per year, per company we will ascertain. Thank you for the opportunity to partner with you to provide additional educational/informational materials to our members and consumers with bleeding disorders. On behalf of Hemophilia of South Carolina, we thank you for your consideration.

Kind Regards,
Suzanne (Sue) Martin
