Charity Golf Tournament Fundraiser

Benefiting Hemophilia of South Carolina (HSC)

A Chapter of the National Hemophilia Foundation, A Member Organization of Hemophilia Federation of America, and a member of the South Carolina Association of Non-Profit Organizations

Dear Friends,

It is with great pleasure that we are able to continue our mission by hosting our 4th annual “**Par for the Clot**” **Charity Golf Tournament**. Thanks to our corporate and personal sponsors, we are guaranteed to have another wonderful tournament this year, and we are excited to invite you to join us. This exciting business friendly event will take place in Greenville, SC at **The Preserve at Verdae on April 20, 2018**. Proceeds from this tournament will support the much needed and unique services we provide to our members. Currently, HSC serves over 900 individuals throughout the state, and now has members in 38 of the 46 counties. In the upstate alone, we directly serve 87 families.

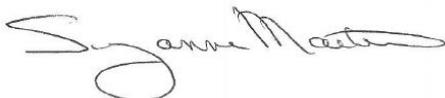

Hemophilia of South Carolina is a 501(c) 3 non-profit charitable organization. HSC serves individuals and their families in South Carolina who are diagnosed with bleeding disorders. There are an estimated 7,000 identified *rare disorders, affecting 1 in every 10 Americans*. Hemophilia and von Willebrand Disease are two rare genetic blood clotting disorders in which a person’s blood is missing or has a low or defective amount of a necessary protein to clot normally. Therefore, internal bleeding occurs and can cause debilitating pain and damage to joints, muscles and can cause life threatening internal bleeding. Currently, there are no cures.

Dedicated to assisting in the quality of life for those affected by hemophilia and bleeding disorders, we provide educational and support service programs; family, teen and children’s camps support, financial assistance and compassionate care, college scholarships, advocacy awareness support and training, educational symposiums, support groups, referral services, state-wide educational gatherings and research support.

Our golf brochure provides all the details on this event. As you know, these types of services and events cannot be successful without the support provided by individuals and companies like yours. We are hoping that we will be able to count on you for this support. This is a great opportunity to network with businesses around Greenville County, throughout South Carolina, and with many of our national partners. We know you will have a great time in doing so. You will have the opportunity to meet our wonderful community members who will benefit from your direct support.
